

FROZEN 2 PERFECTION

- Please follow mixing instructions carefully to ensure proper freezing & taste! Do not use any diet drinks, add ice, or try to freeze water as it will do damage to the machine.
- Pour 1 bottle of liquid concentrate into the 5 gallon mixing container.
- Next add alcohol per chart below.
DO NOT ADD ADDITIONAL ALCOHOL TO MIXTURE AS ALCOHOL DOES NOT FREEZE AND IT WILL KEEP YOUR MIXTURE FROM FREEZING! IT IS IMPORTANT TO STICK TO THE RECIPE.
